Dear Professor Chen,

Re: "A Direct Imaging Method for Half-Space Inverse Elastic Scattering Problems" by Chen, Zhiming; Zhou, Shiqi
Article reference: IP-101992.R1

We are pleased to tell you that we have now formally accepted your Paper. We have everything we need to proceed to publish your Paper in Inverse Problems. Unless you opted out during the submission process, the accepted manuscript (<http://iopscience.iop.org/page/acceptedmanuscripts>) will be made available online within the next 24 hours. You will receive an email to confirm this, which will also include the permanent DOI to use to cite your work.

If you have chosen to publish your Paper on an open access basis, or if there are other charges related to your Paper you will receive an email with details on how to pay within the next few days.

We will contact you again soon when proofs of your article are ready for final approval. Please return your article proofs by the date given to enable us to publish the final version of record as soon as possible.

All articles published by IOP Publishing are available online to readers at <http://iopscience.iop.org/>. For more information, please contact our Customer Services department at custserv@iop.org. For advice on complying with US funder requirements, please go to <http://iopscience.iop.org/info/page/chorus>.

Thank you for choosing to publish in Inverse Problems. We look forward to publishing your Paper.

Yours sincerely

Jenny Albinus
